SUBJECT.

Re-construction of the Hussaini Mas at Srirangapatam.

PREVIOUS REFERENCES. LATER REFERENCES.

Subd to the Dewan

Orders are solicited as to whether the Hussaini Musjid at Seringapatam, which has tumbled down, should now be rebuilt. The work is estimated at Rs. 600. There is a saving of Rs. 4370-14-7 in Gunchay funds.

This is one of the 4 small Musjids maintained in Govt

Prs: No. 3344-5/200 dated 7th August 1882, as maintainable by the Mysore State, which was relieved from all payment to the British Govt on account of Seringapatam.

Nagesa Rao is only here with reference to surplus and other kindred questions - the question is referred to the Dewan's decision - whether the Musjid should be rebuilt - as the Govt has already contributed its share of the cost - and whether the Govt should contribute any more - Musjid is a wakf under Muslim law

may be constructed on the bare site on which the old masjid formerly stood, at a cost of Rs 600/-. The materials of the old building were sold by auction in 1896 & the proceeds-viz, Rs 372-6-0 are reported to have been credited to Gumbuz Funds.

Submitted to the Dewan

Under the circumstances reported, I think that the estimate for Rs: 600/- for constructing a Mangalore tiled building may be sanctioned. The cost of materials of the old building, viz Rs. 372-6-0 may be utilized for the purpose, and the balance met from Savings in the Gumbaz Fund.

As this is one of the small Mosques which we have undertaken to keep up,

in the arrangements made with the British Govt at the time of the Reduction, the construction of a new building seems necessary.

Para 2 of Dewan's Letter
to the Resident – No. 13 D/10th July 1882.

" As regards the maintenance of the Mausoleum of Hyder Ali and Tippu Sultan and the performance of rites in connection therewith, certain allowances – which are not correctly quoted in para 4 of your letter – were fixed in perpetuity and have hitherto been paid with other pensions out of the two lacs funds chargeable to the British Government. They were not connected in any way with the Revenues of the island of Seringapatam but formed a charge on the Imperial Revenues. The allowances referred to are as noted in the margin; and I beg to be informed whether it is the wish of the Govt. of India that they should in future be paid from the General Revenues of Mysore.

The Huzur Secretary, in Mysore

Bangalore

Respected Sir

We the undersigned, members of the Hussaini Mosque at Seerangapatam, beg to bring the following few lines to your honour's Kind consideration and favourable orders.

The Hussaini Mosque of our street that was in existence since the time of Tippu Sultan had a Muzaravallishipe sanctioned by the benign Govt. It continued without any disturbance whatsoever from the past 100 years up to 1896. In this year Mr. Sreeniwas Charlu, the late Huzur Commissioner paid a visit to this old mosque which was in need of urgent repairs. He was of opinion to demolish the old building and erect a new one in its stead. Thus he sanctioned all the Articles of the mosque & money required thereby was put in the Treasury.

The estimates for raising a new mosque were taken some twice or thrice but to no purpose.

No work is commenced as yet & so

this waste land is made profane by the other cast people which is, of course, a mark of disgrace not only to the adjoining Muhammadans to that sacred land but also to all the Muhammadans of the world.

The II Khatib of the Jamajidi Alo (great mosque) was appointed by your honor to look after the waste land of the mosque in question in addition to his duties. It proved failure as it is impossible for one man to look after two duties.

Therefore it is requested most humbly & respectfully to order the Commencement of the building at an early date and appoint a Muttavalli for the management of the mosque as usual.

For which act of benevolence & charity we shall ever, as in duty bound, pray for your honor's long life and prosperity

We beg to remain
Most Respected Sir
Your honor's humble Servants
